## PROFESSIONAL SUMMARY

Strategic Design Management postgraduate student at NID with a B.Des in Fashion Communication (NIFT Delhi), five internships and freelance work in brand and visual design. Skilled in qualitative research, service design and brand strategy, and in adapting frameworks to context. Seeking internship or full-time roles in design strategy, brand, customer experience or product.

## CORE SKILLS

**Strategy:** Design Strategy, Design Thinking, Service Design, Service Blueprint, Information Architecture, Brand Strategy, Stakeholder Mapping, Business Model Analysis, Competitive Analysis

**Research:** Qualitative Research, User Research, Behavioural Observation, Interviews, Surveys, Journey Mapping, Research Synthesis

**Creative:** Art Direction, Photography, Visual Storytelling, Brand Guidelines

**Tools:** Miro, Figma, Excel, PowerPoint, Adobe Illustrator, Photoshop, InDesign

**Languages:** English (Professional), Hindi (Native)

## EDUCATION

**Master of Design (M.Des), Strategic Design Management**, National Institute of Design (NID), Gandhinagar | 2025 – 2028 (Expected)

**Bachelor of Design (B.Des), Fashion Communication**, NIFT, New Delhi | 2020 – 2024 | CGPA 8.0 / 10

## ACADEMIC PROJECTS

*NID studio projects in teams of three under faculty guidance, with primary research (up to 25 participants) and final jury presentations.*

**Human Behaviour in Tourist Spots** | 2026

- Conducted 376 behavioural observations across four Gujarat tourist sites (Kankaria Lake, Indroda Nature Park, Dandi Kutir, Adalaj Stepwell)
- Synthesised findings on visitor engagement, herd behaviour, navigation and technology use into behaviour maps; presented to jury and faculty with positive feedback

**Wellness Tourism: Ecosystem and Standards** | 2026

- Analysed the wellness tourism ecosystem, service gaps and the role of standards, comparing India (AYUSH, NABH) with the USA, Sweden and Japan
- Developed a visual framework adapting Maslow's hierarchy of needs to map wellness tourism needs and service experiences

**Service Design Module: Matchmaking and Dating App Experience (Hinge)** | NID | 2026

- Analysed Hinge's existing service for Indian users using journey mapping and a service blueprint to identify gaps in trust, safety, privacy and authentication
- Developed a new service from these gaps, defining its information architecture, journey and service blueprint

## EXPERIENCE

**Freelance Visual Designer**, Etihasik (apparel startup) | 2024 – 2025

- Created the brand book, graphics and live Shopify storefront, working directly with the founder

**Internships:** Photographer Intern, Ravels Apparel (Jan – Apr 2024) | Art Director and Photographer Intern, Peacock Blue (Aug – Nov 2023) and Bake & Co. (Jul 2023) | Photographer Intern, Decorkart (May – Jun 2023) | Graphic Designer Intern, Legit Marketer (Jan – Mar 2022)
